

Please do not allow Sinclair Broadcasting to air "Stolen Honor" as it is not at all a balanced program --> it is propaganda. However, to balance the Pro-Bush Propoganda if Sinclair Broadcasting aired a Pro-Kerry program like, Fahrenheit 9/11 then this would be allowable as it would allow both sides to be heard. Instead Sinclair is showing propaganda - for free, which you should know is illegal, and trying to pass it off as "news". This is not Communist Russia! We are supposed to have a Democracy! Democracies only work if the people (of the "people", by the "people", etc..) are not properly informed. Without an informed public, without real definitions of people, platforms, and character there is no choice, thus there is no DEMOCRACY! We should make sure that we have the model for democracy right, before we go around spreading "democracy" to places that haven't asked for it.

As the FCC, whether you have realized it yet or not...you are the gatekeepers of democracy --> do the right thing, not for Kerry, Bush, or anyone person in particular; but rather, do the right thing for the People of the United States of America!

PLEASE!

Thank you~
John Thurmon
